Name of Project: Tennis Courts Replacements - Mullins Recreation Center

Project Sponsor: City of Mullins

Contact Person: Holly Jackson,
Interim City Administrator

**Contact Person's
Phone Number:** (843) 464-9583

Sponsor's Project Rank:

Cost Estimate:

Duration of Project: 24 Months

Completion Date of Project: 2020

Description/Summary of Project:

This project consists of the replacement of four existing tennis courts and associated surrounding chain link fencing and gates, all of which are in extreme dis-repair due to the age.

Benefits of Project:

The benefits of replacing our existing tennis courts include the Citizens of Mullins and the surrounding Marion County will have a place in town with usable tennis courts. The schools in our community will have a place to practice. The youth and adults of the area will have a place to learn and play tennis that is usable, durable and secure.

NOTE: By submitting this form, you acknowledge that your organization is eligible to receive public funds and plans to present a detailed plan describing the proposed project at the Tax Commission's request. This is a Preliminary Application and a more detailed plan to include specific project plans and a detailed budget, certified by an architect or engineer if appropriate will be necessary prior to final project approval.

Name of Project: Renovations to Mullins Recreation Gym - Park Street

Project Sponsor: City of Mullins

Contact Person: Holly Jackson,
Interim City Administrator

**Contact Person's
Phone Number:** (843) 464-9583

Sponsor's Project Rank:

Cost Estimate:

Duration of Project: 24 Months

Completion Date of Project: 2020

Description/Summary of Project:

This project consists of the repainting of the existing interior, replacement of the existing basketball court flooring with a new wood floor, expansion of the concessions area into the currently unused showers. Installation of new HVAC systems and upgrade of the existing electrical system, switchgear, etc... The upfitting and enhancement of the entry facade, installation of a new acoustical tile/grid ceiling in the Meeting Room and the infill / replacement of exterior windows.

Benefits of Project:

The benefits of these improvements to the City Gymnasium are numerous. Cosmetically the gym will look fresher, cleaner and up to date. The new wood floor will enhance the experience for our one hundred plus young athletes as well as the adults that will use the basketball court. The expansion of the canteen will utilize space that was unused and unkempt while freeing it's current space for small meetings, team meetings and office activities. Installation of a new HVAC will allow the City and the Recreation Department to offer activities and events that were not possible when the temperature in and out of the building was too high to utilize the building.

NOTE: By submitting this form, you acknowledge that your organization is eligible to receive public funds and plans to present a detailed plan describing the proposed project at the Tax Commission's request. This is a Preliminary Application and a more detailed plan to include specific project plans and a detailed budget, certified by an architect or engineer if appropriate will be necessary prior to final project approval.
