

RESOLUTION # 21-017

“A RESOLUTION DESIGNATING THE AREA USED FOR “CRUISE MAIN” AS A SITE OF AN EVENT AT WHICH ALCOHOLIC BEVERAGES MAY BE CONSUMED AND LIVE MUSIC WILL BE PLAYED.”

WHEREAS, lot owned by Anderson Brothers Bank has been the site of Cruise Main. Attendees are able to purchase beer and wine on the property owned by Anderson Brothers Bank and consume the alcohol on the bank’s private property. Because alcohol is prohibited in public places and on city property, our police will require festival attendees to stay within the confines of the privately owned parking area. However, many people prefer to wander throughout the festival with their beverage, which requires our police officers to intervene and request they return to the private area; and

WHEREAS, the City’s ordinance provides an exception to our code to allow the consumption of alcohol and allow music between the hours of 3:00 PM until 10:00 PM within areas specifically deemed a festival site; and

NOW, THEREFORE, BE IT RESOLVED, that the City of Mullins hereby adopts a resolution acknowledging the consumption of alcohol and to allow live music at Cruise Main between the hours of 3:00 PM – 10:00 PM.
