Public Works Committee Meeting 8/18/25

Committee Members

Teri Davis

Eddie Kitchen

Albert Woodberry

Residential Garbage

Is going great!!! We will need additional cards as soon as possible.

Budget Item: Carts

Commercial Garbage

I'm sure everyone knows that our front loader commercial truck caught fire almost a month ago. For three weeks the men of the street department hand dump each dumpster. We also delivered 5 carts to every school, and 3 carts to every restaurant. The front loader truck that was burned is still in the insurance companies Hands. This truck is being worked on by Pertbuilt in Florence and when at least Peterbilt it will go to Amick Equipment and Lexington.

Budget Item: Commercial Front Load Truck

Curbside Debris

We are currently down to one truck that is servicing the curbside pick up for the city of Mullins.

Budget Item: Used U-Haul 10,000
Repurposed Dump Body
Installation Labor 10,000

Stormwater

Stormwater department consist of one full time employee. Sean Bennett is currently cleaning the storm drainage systems for the City of Mullins. Hurricane Season

Budget Item: Tymco 435 SRE Street Sweeper 200,000- 250,000

Grass Crew

There is only one person that's dedicated to the grass crew Because of the budget cut to the 2025, 2026 budget year.

City of Mullins Projects

Main St.- paving, restriping and upgrading of some handicap walks. Completion 2026

Completed Projects

Avon Cir.- paving

Mullins St.- paving

Agnew St. - paving

W. Marion St.- paving

CTC Projects That will have to be paid for by the city of Mullins and then reimbursement will be sent back from the state.

1. Dogwood St. & St. Ann St.- Drainage project to upgrade our current storm drain pipe from 12 inch pipe to 18 inch pipe. This will hopefully eliminate the flooding.
2. Sandy Bluff/Hwy. 917- James Project to upgrade the current 36 inch pipe to 48 inch pipe. The current pipe that's there is completely clogged with tree roots.

Used U-Haul 8,000

Dump Truck Conversion

Tymco SRE Street Sweeper

Carts
